How to manage paint related waste

Latex Paint Disposal:

Latex paint is not hazardous and can be disposed of with regular waste.

Step 1

Pour paint into absorbent material
Shredded newspaper or kitty litter.

Step 2

Allow it to completely dry.

Step 3

Dispose of dried paint in trash.

Step 4

Recycle the empty, dry container.

Oil-based Paint Disposal:

Oil-based paint, stains and varnishes are hazardous and should not be disposed of with household waste, if possible.

Call the Monroe County Municipal Waste Management Authority at 570-643-6100 regarding hazardous waste collection programs.

The Pride in Chestnuthill (PIC) committee invites you, your family and friends to join us in helping to keep our community both clean and green. Our award winning committee, in our eleventh year of community service, concentrates its efforts on the beautification of our attractive rural Township. With the increase in population, our roadsides need more attention to keep them as beautiful as we know they can be. But we need your help.

- PIC Field Days check our website for dates there are several days in both the spring and fall.
- Gardening at the Chestnuthill Township building and the Chestnuthill Township Park.
- Tell your neighbors and friends how easy and inexpensive it is to recycle and drop off their refuse at our Recycling Center & Transfer Station where many items are FREE .
- We welcome your suggestions on how to improve our efforts.

We are an all volunteer group committed to making our community a more beautiful place to live. Please join us. **“We need you”**. Many hands make light work. Our meetings are the 2nd Thursday of every month at the Chestnuthill Township building at 7:00pm.
