

Chestnuthill Township Proposed 2026 Budget and Fiscal Plan

November 18, 2025

The proposed 2026 Budget and Fiscal Plan was made available to the public by the Chestnuthill Township Board of Supervisors at their meeting on November 18, 2025. **There is no proposed tax increase for 2026.**

The total proposed millage rate for 2026 remains the same at 2.66. The 2.66 mills break down to 1.64 mills for the Chestnuthill Township municipal/road budget, 0.78 mills for the infrastructure dedicated account and 0.24 mills for the West End Fire Company.

For every \$100,000 of real estate tax assessment, the 2.66 mills will generate \$266 dollars in real estate taxes for fiscal year 2026.

Chestnuthill Township Supervisors and staff work diligently to maintain quality services while maintaining and improving our community's infrastructure. The 2026 budget includes 2.16 million dollars of road paving and stormwater improvements, including 10 miles of new paved road as well as the Country Terrace Acres stormwater improvement project.

The 2026 budget also includes the operation of our new Shared Emergency Services Facility, as well as funding to maintain and improve parks, recycling, composting, and historical resources. Our total budget expenditure is \$11,455,328, of which \$1,557,085 is attributable to grant funding for numerous projects throughout our community.
